

INTRODUCTION

For more than 50 years, Simpson Strong-Tie has focused on creating structural products that help people build safer and stronger homes and buildings. A leader in structural systems research and technology, Simpson Strong-Tie is one of the largest suppliers of structural building products in the world. Simpson Strong-Tie's commitment to product development, engineering, testing and training is evident in the consistent quality and delivery of its products and services. Simpson Strong-Tie® product lines include structural connectors, Strong-Wall® prefabricated shearwalls, Anchor Tiedown Systems for multi-story buildings, Quik Drive® auto-feed screw driving systems and Anchor Systems® anchors and fasteners for concrete and masonry. For more information, visit the company's Web site at www.strongtie.com.

The Simpson Strong-Tie Company Inc. "NO EQUAL" program includes:

- Quality products value-engineered for the lowest installed cost at the highest rated performance levels.
- Most thoroughly tested and evaluated products in the industry.
- Strategically-located manufacturing and warehouse facilities.
- CCMC listings.
- Largest number of patented connectors in the industry.
- In-house R&D, and tool and die professionals.
- In-house product testing and quality control engineers.
- Member of WWTA, QWTFA, QWTFA, AWTF, WRLA, LBMAO, ABSDA, TPIC, PEO.

THE SIMPSON STRONG-TIE QUALITY POLICY

We help people build safer structures economically. We do this by designing, engineering and manufacturing "No Equal" structural connectors and other related products that meet or exceed our customers' needs and expectations. Everyone is responsible for product quality and is committed to ensuring the effectiveness of the Quality Management System.
