

Every day we work hard to earn your business, blending the talents of our people with the quality of our products and services to exceed your expectations. This is our pledge to you.

Wood Construction Connectors

Includes specifications and installation instructions on wood-to-wood and wood-to-concrete structural connectors. Includes load tables and material specifications.

Anchoring and Fastening Systems for Concrete and Masonry

Includes application information, specifications and load values for adhesive and mechanical anchors, P.A.T. and carbide drill bits. A binder version is also available.

Quik Drive® Systems Catalog

A complete line of labor-saving auto-feed systems and specialty fasteners for a wide range of commercial and residential construction applications.

Strong-Wall® Shearwalls

All the information on our Strong-Wall shearwalls is now in one easy to use catalog: technical data, installation information, structural details and more. The catalog also features new solutions for two-story and balloon frame applications as well as an extensive section on braced frame requirements under the various building codes.

Anchor Tiedown Systems

This system is designed to provide the over-turning holdown capacity for multi-story commercial buildings. This holdown application is easy to specify, install and inspect.

High Wind Framing Connection Guide

Developed for designers and engineers as a companion to the AF&PA Wood Frame Construction Manual.

Code Compliant Repair and Protection Guide

Developed for building professionals to help explain products and techniques related to the installation of utilities in wood frame construction.

Anchoring Solutions for Simpson Strong-Tie® Connectors

Simpson Strong-Tie® Anchor Systems specifications with our connector line. It should be used in conjunction with the current connector and anchor systems catalogs.

Simpson's Free CD-ROM

Our CD-ROM features our latest catalogs, fliers, technical bulletins, code reports, product list prices, UPC information, and the Simpson Connector Selector program. It also includes the Drawing Library.
