

Every day we work hard to earn your business, blending the talents of our people with the quality of our products and services to exceed your expectations. This is our pledge to you.

Wood Construction Connectors

Includes specifications and installation instructions on wood-to-wood and wood-to-concrete structural connectors. Includes load tables and material specifications.

Anchoring and Fastening Systems for Concrete and Masonry

Includes application information, specifications and load values for anchoring adhesive and mechanical anchors, P.A.T. and carbide drill bits.

Quik Drive® Systems Catalog

A complete line of labor-saving auto-feed systems and specialty fasteners for a wide range of commercial and residential construction applications.

Strong-Wall® Shearwalls

All the information on our Strong-Wall shearwalls is now in one easy to use catalog: technical data, installation information, structural details and more. The catalog also features new solutions for two-story and balloon frame applications as well as an extensive section on braced frame requirements under the various building codes.

Anchor Tiedown Systems

This system is designed to provide the over-turning holddown capacity for multi-story commercial buildings. This holddown application is easy to specify, install and inspect.

High Wind Framing Connection Guide

Developed for designers and engineers as a companion to the AF&PA Wood Frame Construction Manual.

Code Compliant Repair and Protection Guide

Developed for building professionals to help explain products and techniques related to the installation of utilities in wood frame construction.

Strong Frame™ Ordinary Moment Frame

The Strong Frame Ordinary Moment Frame catalog contains complete information on the Strong Frame ordinary moment frame including product information, detail installation instructions and technical data. Performance data is available for engineered designs as well as prescriptive wall-bracing applications.

Simpson Strong-Tie Free CD-ROM

Our CD-ROM features our latest catalogs, fliers, technical bulletins, code reports, product list prices, UPC information, and the Simpson Strong-Tie Connector Selector program. It also includes the Drawing Library.
